Gary stopped by my office yesterday and gave me a brief summary of the status re: the Harley-Davidson (H-D) CD. It's my understanding that the motion to enter is over at DOJ and will hopefully be filed soon.

See below and edit away. Gary had mentioned that during the 2/9 call you said filing of the motion was "imminent" or something similar – I don't remember the time frame you gave during the call and so I didn't reference it below... Obviously John and Jenn will be copied (and you).
